

PDAUSA members,

We are excited to celebrate our 10th anniversary with a fundraising event and a show. The event will be October 20th from 4 - 8pm. The show and event will have a circus theme. We will have many fun booths and activities in PDA USA's parking lot; face painting, balloon artist, dunk tank, pie throwing, rock climbing wall and much more. Inside we will have a silent auction with wonderful basket items to bid on, raffle drawings with many great prizes as well as a spectacular show demonstrating skills your son and or daughter has learned in the PDAUSA Program.

Please mark the date on your calendar and look for more information to come home. Each class will have a theme and will have instruction on what they will need from home for a costume; we will keep everything low cost and easy so everyone can participate.

PDAUSA is a non-profit organization any donated items can be a tax write-off for families. We also know for non-profit organizations to survive we rely on our many families who might themselves or know someone who can donate items for our raffle drawings. For example restaurant gift certificates, sporting event tickets, concert tickets, vacation packages, airline tickets, limo rides, electronic gifts, Amusement and Theme Park tickets ect. Please contact the front desk if you have something to give. PDAUSA will provide you with an official donation letter for your taxes. Also anyone can participate in the baskets. All you do is come up with a theme, put items in your basket (value \$30 min) cellophane wrap the baskets and give us a list of the items in the basket we will put it in our silent auction available before the show.

We truly appreciate all of our clientele and look forward to putting a great event on for your family and friends. Tickets for the event will go on sale in September. Adults \$10, children (3-12) \$8, children 2 and under free. Tickets include all you can eat hamburger and hot dogs and chips, unlimited soda, juice and coffee, dessert, one raffle ticket, and show.

If you have anymore question please don't hesitate to call the front desk. (562-229-1927)
